

1-04-122.1 **Vending, Sales, Possession, and Consumption of Soft Drinks and Other Beverages.**

The guidelines for the vending, sales, and consumption of soft drinks and other beverages shall be as follows:

1. During the hours from 8:00 a.m. until 4:00 p.m. each school day, students will adhere to the following mandates from the Board:
 - a. No student shall be in possession or consume any drinks that are 'sugar added'.
 - b. High School students will be permitted to possess and consume 'diet' soft drinks, sports drinks, waters, milk, and fruit juices, such as those available through the vending machines in their hallway of the school.
 - c. Junior High School and Elementary School students will be permitted to possess and consume only water, milk, and fruit juices, such as those available through the vending machines in their respective hallways.
2. Vending machines shall be stocked only with the following:
 - a. The elementary and junior high wing vending machines shall only contain waters, milk, and fruit juices.
 - b. The high school wing vending machines shall only contain waters, milk, fruit juices, sports drinks, and 'diet' soft drinks.
3. Sales and consumption of regular 'sugar added' soft drinks will only be permissible during extra-curricular activities and times that take place outside of school hours, specifically during evenings and weekends.
4. Students found to be in violation of this policy will have their beverages confiscated and will receive detention.
