

1-04-123. **Video Surveillance.**

The Board authorizes the use of video cameras on District property to ensure the health, welfare, and safety of all staff, students, and visitors to District Property and to safeguard District buildings, grounds, and equipment. The Board will approve appropriate locations for video cameras.

The staff and students, through handbooks and other means, will be notified that video surveillance may occur on District property. A notice will be also posted at the main entrance of the building indicating the use of video surveillance.

The District may choose to make video recordings a part of a student's educational record or of a staff member's personnel record.
