

3-04-102.1 **Part-Time Attendance.**

Non-disabled students eligible to enroll in grades K-6 will not be accepted for part-time enrollment in the District schools. Students in grades 7 - 12 requesting part-time enrollment will be reviewed on a case-by-case basis. The final decision lies with the Superintendent.

The criteria for acceptance of non-disabled part-time students grades 7-12 include:

1. acceptance of a student shall not create an excess student enrollment in the requested class;
2. acceptance of a student shall not create need for an additional staff member;
3. acceptance of a student shall not cause the creation of a new section of the requested class;
4. regular full-time students shall have first priority on any available space;

When a number of part-time students have requested admission into the same class, they will be accepted on a first-come basis as long as feasible within the criteria. In the event the class enrollment position of a part-time student is needed for a regular full-time student during the course of the year, the full-time student will have priority for the position beginning with the next semester after the need is identified. Students with disabilities residing in the District who are attending private or home schools will be accepted in accordance with state and federal statutes and regulations.
