Right now, we have a total of \$9,063.05. This includes the monies that came out for honor roll.

### Fund Raising

---

#### Meal Fund Raiser:

On 2/2, 2/9/2019 there is an elementary game at 9am. The meal slot is up for grabs. The committee agreed on the 2/2/19 slot. Tessa will be ordering through the cafeteria and will sign the cafeteria rental agreement for us. We will order approx. 100 maple sticks, and sell for \$2.00, bagels and juice \$1.00. Lisa motioned, Andrea seconded, and motion was carried.

#### Buffalo Hunt Raffle:

A committee member talked to Jestin Dupree. They already had a buffalo hunt. He said get letters out to parents and get signatures and we will go from there. He's looking into the \$10,00 we didn't receive from the past two years from the former head of the Tribal Education Dept. Tessa will be writing a list of kids to the tribal board on behalf of the children. It will be hand delivered. Maurice suggested to table it until we get more information on the buffalo hunt raffle, and the allotment we didn't receive.

#### College Visits:

The committee needs to come up with an itinerary that will show meals, hotels, destinations, etc... including a form for parental consent of minor child. It was suggested that we call and find out information on AISES. We need to call colleges and see when their spring powwows are. It would be a good time to visit so the juniors and seniors can take part in that. Tessa will be calling around or emailing colleges for ideas. Mr. Crowder will be asking the school board if a college visit will be an excused school related absence. We need to approach the Tribal Board of Education. Ask for a transportation bus, if not it may be cheaper for us to use two cars for transportation. There are a total of ten juniors and seniors that are eligible to go. Mr. Crowder is going to put this on the February school board agenda. Which will be held February 19<sup>th</sup>, 2019. This will help show our students campus life, and what goes on beyond our walls of high school, so they know what to expect as college freshman.
