February AD Report

Culbertson Board of Trustees,

The 2018-2019 speech and drama team ended another great year of competition with post season competitions held in Plentywood and Three Forks. Coach Jeri Gustafson was named class C speech and drama coach of the year also. Senior recognition for speech and drama, cheer, and basketball was held on February 1. The 2019 tentative high school track and field schedule is enclosed. I hope to have the golf and 5-8 track schedules finalized by the first week of March. High school track and golf will begin on March 11.

Sincerely,

Technology Report
School Board Meeting
February 19, 2019

The E-rate 470 paper work has been sent to Nicole Jones. We have requested managed POE switches; secure server rack, and 2 battery backups.

I have begun updating printer and computer inventory as I have had to replace printers and computers.

I would like to set up a technology committee meeting with teachers and school board members to review and update our tech plan as we are in the last year.

We have been working with NorthStar on a few minor issues with downloads and access.

I will send out technology requests for the upcoming school year.

Mr. Olson

B. Other items for your consideration:

1. The Montana Legislature has begun. Attached please find a copy of the bills that MTSBA is following.
2. I am currently working on the Eastern C Division Football Schedule for the 2019 season and hope to be done very soon.
3. The Civil Rights Data Collection has officially opened their website for our school to enter data from the 2017-2018 school year. This is an annual data collection from the Office of Civil Rights that all schools in our state (and I assume across the US) are required to submit. The deadline to complete the submission of data is April 22nd.
4. The Impact Aid Application was submitted prior to the January 31st deadline. We generally receive Impact Aid payments in October.
5. I am currently working with Mike on a K-12 staffing plan for the Board to consider. We hope to have this plan to the Board by the end of February. This plan will include how many elementary classrooms should be considered at each grade level, including how many teachers will need to be retained/hired to make it possible. I will also be working on a short-term and long-term facility plan for the Board to consider. The facility plan should be completed by the end of March. This plan will include boiler replacement, Old Armory options, replacement of playground equipment, football field lighting, completion of the new elementary addition, additional security cameras, computer network upgrade, and many more items probably too numerous to mention.

6. The Title VI (Indian Education) Grant has three parts. Part 1 of the grant is due by March 7th. We utilize these funds to pay for the position that Tessa Rumsey currently holds. I submitted Part 1 of the grant application on February 13th.
7. I have been receiving phone calls and requests for visits from some of our area superintendents ranging from Glendive to Hinsdale. They are requesting advice and counsel from time to time. I have also received requests from Scobey and Ennis in the past month to share our Trimester Class Schedule.

If you have any questions, comments, or concerns about any item in this report or on the agenda, please feel free to contact me at any time. I can be reached at 787-6246 (school), 787-5779 (home), 478-3330 (cell), or by email at crowderl@culbertson.k12.mt.us at any time.
