Technology Report

School Board Meeting

October 21, 2015

I will attempt to hold a technology meeting the last week of October. OPI is not updating their technology standards. I had Freeman and Gaffney come to the school to help assess our future technology needs. We will begin discussing the needs assessment at the technology meeting.

Gaffaney's is working to streamline our Sonic Wall and connection issues with non-domain devices.

Another one of the hard drives on the server failed and will replace by Gaffaney's. These are the 300 GB drives that originally came with the server.

Principal's Report
October School Board Meeting
October 21, 2015

Parent conferences were held on Oct 1 from 4-7pm. Teachers expressed that the turnout was good and they were pleased to be able to talk with parents.

Culbertson VFD held a Fire Prevention assembly for grades K-6 on Oct 8th. The topic was smoke detectors and escape routes.

Miss Montana visited our school on Oct 8th and held an assembly for K-8. Her topic was preventing bullying.

Interquest Detention Canine service was in on Oct 8th. No positive hits by the dog were made.

I have met with JH/HS teachers and they opened up dialogue about ACT scores. The teachers are interested in coming up with ideas on how to improve scores. We will be setting up more meetings to formulate ideas.

B. Project updates:

- South Elementary Addition: The windows are being installed. The roof is being installed. The brick work is approximately 90% complete. Interior walls on the bottom floor are being installed.
- C. I am currently completing the 2015-2016 ESEA Federal Programs Application, the 2015-2016 Federal Carl Perkins Application, Part III of the Title VII grant, and the TEAMS accreditation report for OPI.
- D. Mike and I have been discussing ideas about our large 7th grade and the impact that it is having on our junior high class schedule. We are looking into next year when we will have two large classes instead of just one and are formulating some ideas for the Board to begin considering next month.
- E. I attended an Oil & Gas Schools Rule Making Committee Meeting in Glasgow on October 1st. This committee has been created to make suggestions for rule changes to how concentric circle oil & gas money will be distributed after FY 2016. The committee is comprised of almost twenty people, so the first meeting was introductory in nature with copious amounts of sharing from all of the committee members. The committee will meet again on November 5th in Sidney with the hope of creating a formula for the distribution of concentric circle money should the price and production rebound in the future.

If you have any questions, comments, or concerns about any item in this report or on the agenda, please feel free to contact me at your earliest convenience. I can be reached at the school at 787-6246, my home at 787-5779, my cell at 478-3330, or by email at crowderl@nemont.net at any time.

AGENDA TITLE: Elementary and High School District Boundary Revision Request

SUMMARY: Until a joint Board meeting can be held with the Bainville and Froid School Boards on this matter, I recommend the Culbertson School Board consider changing the legal description of the district boundaries to align with the boundary line that is found on the map rather than moving the boundary line to match the legal description. This should solve the issues that have brought by Roosevelt County.

AGENDA TITLE: Budget Resolution

SUMMARY: With the sharp decrease in oil and gas tax funds from the first quarter of production in 2015, Lora and I are concerned about the cash flow for the district as our construction project continues. We are looking into the possibility of applying to the State Board of Investments for a short term loan that would be paid back at the end of our fiscal year (June 30, 2016). If that application is feasible, Lora and I will be recommending a budget resolution at this meeting that will approve the loan.

AGENDA TITLE: Elementary/Junior High Music Festival

SUMMARY: The music teachers in the school that comprise the MHSA Music District #13 met a few weeks ago and would like Culbertson to host the district's elementary/junior high music festival on Friday, March 18th. Unfortunately, we did not know about this request at the time the calendar was developed in January.....so we have school planned for that date. If the Board wishes for our school to host this festival, I recommend that we cancel school on that date and use one of our three "emergency days". Or the Board can decline the request for our school to host the festival for this year.
